“Why Be A Volunteer”

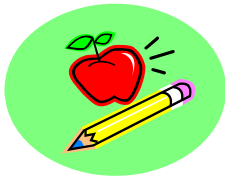

It's not for the money or for fame,
It's not for personal gain.

It's for the love of a fellow man,
It's for caring to lend a hand.

It's to give a bit of self,
That's something you
can't buy with wealth.

It's not the medals worn with pride.
It's just for that feeling deep inside.
It's for the reward felt in your heart.

It's just for knowing that
you've been a part
Of helping others far and near.
That makes you a wonderful **VOLUNTEER**.

From Your PTO President

I like to read this poem when I feel the need to be inspired and motivated. I have many fond memories and experiences that I have shared with other parents in organizing events here at St. Linus. I took a crash course in sewing from a good friend last year, because I wanted to make Matthew's tree costume for the play. Some of my other memories have been planning menus for dances, shopping for secret Santa, putting monsters together for the haunted hall. I think of my children: making crafts in class, decorations for Oktoberfest, field trips, running in the beach with 1st graders, walking to the dairy with Taylor's class, stuffing 300 candy bags for Halloween, reading to them in class, I could go on and on.

The above memories make a difference for OUR family, and that's why I volunteer! I am glad that I work with a fine group of parents that are as motivated as I am.
