**St Linus School on a *Mission* to find St Linus Alumni**

Looking for former students from 1963 to 2005

This school year, St Linus School is committed to locating its Alumni.

You are important to us.

It's because of you, St Linus students, we've been blessed with 46 successful years of quality education in Norwalk. But most of all, we are proud of you and the people you have become.

St Linus School has the distinct privilege to educate many children, and now grandchildren of our Alumni.

As a result, we see your commitment to family, to our school, to our church. It is simply amazing and gratifying that we played a part to formulate such quality individuals.

God's desire is for you to keep him first and use his word to raise your family. We're proud that you have done just that, and the results are marvelous.

God bless you always and keep your family safe.

Regards,

Sr. Catherine Casey
